Cremation Types

Communal Cremation: Many pet's will be cremated in a group without partitions. No cremated remains (ashes) will be returned.

Semi-Private Cremation: More than one pet will be cremated at the same time using our Pet Passages® stainless steel partitioning system to keep pet's separated from one another. Your pet's cremated remains (ashes) will be returned to you.

Truly Private Cremation: Your pet is the only pet in the cremation unit and will be cremated privately. Your pet's cremated remains (ashes) will be returned to you.

Please note: with the selection of a Semi-Private or Private cremation we utilize our Secure Passages™ pet identification and tracking system including the use of a unique numbered stainless-steel disc that is always with your pet. This is used in tandem with our state-of-the-art Pet Passages® Software, providing you with real time information and status updates on your pet while your pet is in our care.
